

## SOS Junior Club Championships 2020

Our Club Junior Championships were held at our event at Highwoods Country park on 27<sup>th</sup> September and due to current restrictions we were unable to hold an awards ceremony there so we hand the Winner's trophy, medals and other awards out at a recent coaching session – suitably socially distanced of course!

All our club juniors were eligible as long as they went round unaccompanied. It took much head scratching to formulate the results using the same formula used for the club championships but with additional weighting to accommodate the range of ages and courses ran.

Congratulations to Abigail Prince who is our new champion and thanks to everyone who took part.
